Field Experience

Intern for Matthew Reinhart, Inc.

- Prepared assets and illustrations for pop-up books for children's stories and popular franchises, including Star Wars, World of Warcraft, and more.
- Crafted concepts in both traditional and digital media.

Intern for Ghostbot, Inc.

- Worked on the Disney Junior series Whisker Haven Tales starring the Palace Pets from the Disney Princess franchise, creating props and turning photoshopped backgrounds into Flash animatable scenes.
- Produced quality work while paying close attention to details, met strict deadlines, collaborated with team members, and often handled revisions on colleagues' work.

Guest Art Instructor for Walt Disney Family Museum

- Instructed two art classes on paper collage and sculpture, highlighting the basics and focusing on composition and color.
- Provided step-by-step directions and examples to students of all ages.

Freelance Artist

- I work on a variety of freelance projects and personalized artworks for companies and individuals, from character design and traditional drawing to handcrafted paper art.

- Created a paper art stop motion for Disney World and its partner Jeffrey's Coffee to celebrate National Coffee Day on their Instagram accounts.
 - Featured in multiple galleries in San Francisco and Los Angeles, including Gallery Nucleus, Popzilla Gallery, Bizarre Café, and Leanna Lin's Wonderland.
